REAL JAZZ MUSIC SPEAKER

PRODUCT OVERVIEW

- Speaker --- 1pc
- USB-C Cable --- 1pc
- User Manual --- 1pc
- Quick Start Guide --- 1pc

1. Bluetooth
2. Volume Up / Next Song
3. Play/Pause
4. Volume Down / Previous Song
5. Power On/Off
6. USB-C / LED Indicator

CHARGING

	Red indicator light stays on	Charging
	Red light off	Fully charged

Don't plug the cable in when your speaker and the charging port are not completely dry. Leave your speaker in a dry area with some airflow to let the port air dry naturally.

POWER ON / OFF

Hold down the power button for 2 seconds to power on.

Hold down the power button again for 2 seconds to power off.

	Press for two seconds	Power on
	White light on 1 second	
	Press for two seconds	Power off
	White light off	

Description:  Indicator light on

 Indicate that the light is off

 Indicate that the light is flashing

This speaker will power off automatically after 15 minutes if no device is connected.

BLUETOOTH CONNECTION

- When first used and turned on, the speaker will automatically enter a pairing mode for connection.
- If the Bluetooth device is already connected, press " ⌘ " button to disconnect the current connection and connect with other devices.
- The speaker will automatically enter pairing mode if it is not connected to a Bluetooth device.

When pairing, enable the Bluetooth function of the phone and search for " **BUGANI Brief** " to connect. When the connection is successful, you will hear a prompt tone and the Bluetooth indicator will turn from blinking to long on.

	Press for two seconds	Automatically enter Bluetooth pairing mode after boot
	White light flashing	Bluetooth pairing
	White light keeps on	Bluetooth connected

Music Control

Short Press the "▷" button to play or pause music.

Long press the "+" button to go to the next song.

Long press the "-" button to go to the previous song.

Volume Control

Short press the "+" button to turn up the volume.

Short press the "-" button to turn down the volume.

Call Mode

Answer a call: Short press the "▷" button.

Reject a call: Double click the "▷" button.

End the call: Short press the "▷" button.

BLUETOOTH BROADCAST MODE

Set one "**Brief**" as the main speaker, and you can connect it to more than 100 auxiliary "**Brief**" speakers to control their functions.

- 1.First, connect one of the "**Brief**" speakers to your Bluetooth device (such as a mobile phone) as the main speaker and play music.
- 2.Press the " ⌘ " button twice on the main speaker and other "**Brief**" speakers to enter Bluetooth broadcast connection mode and connect automatically.
- 3.After successful connection, the green LED indicator on the main speaker will continue to flash, and the green LED indicator on the auxiliary speaker will change from flashing to long light.

After successfully entering Bluetooth broadcast mode

- You can turn off all speakers, adjust the volume, etc. by controlling the main speaker.
- You can turn off the power of each auxiliary speaker separately.
- To exit Bluetooth broadcast mode, press the " ⌘ " button on any speaker twice.

	Green light flashing	Bluetooth broadcast mode
	Green light flashing (speaker 1)	Bluetooth broadcast connected
	Green light keeps on (speaker 2/3.....)	

BUTTON CONTROLS

	Single click	Bluetooth connection/Disconnect
	Double click	Bluetooth broadcast connection /Disconnect
	Press and hold for 5 seconds	Clear Bluetooth pairing list
	Single click	Volume up
	Press and hold	Next song
	Single click	Play/Pause/Answer a call/End the call
	Double click	Activate or deactivate the cellular phone voice assistant/Reject a call
	Single click	Volume down
	Press and hold	Previous song
	Long press for 2 seconds	Turn On/Off

RESET

When the speaker is turned on, press the " + " and " - " button at the same time to reset.

Caution

- It is not recommended to replace the battery privately.
- The battery (battery pack or battery pack combination) must not be exposed to sunshine, fire or similar overheated environments.

BUGANi LIMITED WARRANTY

BUGANi Corporation (“BUGANi”) warrants your product against defects in materials and workmanship when purchased directly from BUGANi or a BUGANi authorized reseller. This warranty is extended only to the original end-use purchaser or the person receiving the product as a gift and shall not be extended to any other person or transferee. The warranty is valid from the date of retail purchase for a period of 1 year. BUGANi will provide the Warranty Services in accordance with the relevant laws and regulations of local government.

This warranty does not cover defects or damage arising from improper use or maintenance, normal wear and tear, commercial use, accident or external causes. Unauthorized repair, modification or customization of your product voids this warranty.

For warranty service on covered defects during the warranty period, contact BUGANi using the contact information at worldwide. Prior to providing warranty service, BUGANi may require you to provide proof of purchase details, including but not limited to a receipt or sales invoice.

FCC STATEMENT

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception which can be determined by turning the equipment off

and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received. Including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

FCC ID: 2BGTK-BS12305

IC CAUTION

Radio Standards Specification RSS-Gen, issue 5

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device.

RF exposure statement:

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.

- French:

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:

Cet appareil ne doit pas causer d'interférences.

Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Déclaration d'exposition RF:

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé dans des conditions d'exposition portable sans restriction.
